

Our Community, Our Ideas, Our Wealth

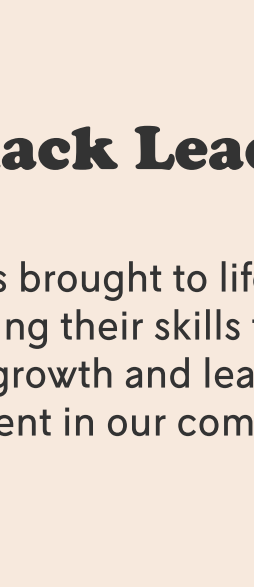

Fund black dreams for \$5 a month

Get Started

Our Mission

We Funded It is a collective of black volunteers supporting students and entrepreneurs to create wealth and impact our community across Canada.

Our Pillars

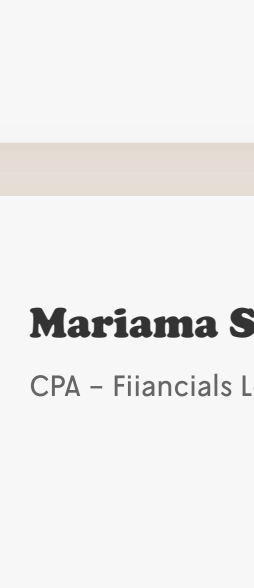

100% Digital

Our Digital Ecosystem leverages remote collaboration and reduces operational expenses ensuring maximum donation to funded projects.

100% Black Leadership

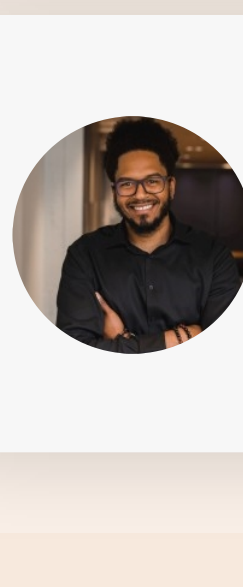

Our mission is brought to life by black volunteers using their skills to support economic growth and leadership development in our community.

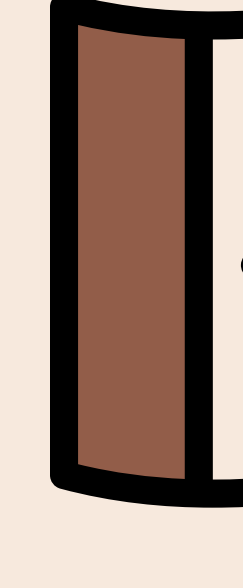

100% Transparent

Trust and transparency are keys to successful community building. See our Ledger and reporting section for our financial information.
